NOTIFICATION

Reference is made to the IV Semester Sessional-II April 2026 Examinations of GSB, GSCE, GSCSE, GSHSS and GSS.

The IV Semester Sessional-II examinations are scheduled to commence on 20th April 2026. Eligibility to attend the examinations requires a minimum of 75% consolidated attendance across all registered courses.

As per the academic calendar, the last date of instruction was 15th April 2026. The consolidated attendance was compiled and provided by CATS on 17th April 2026. The galleys, consisting of correct student details with eligible and not eligible remarks, were shared with the departments, and the hall tickets were released on the evening of 17th April 2026.

However, it was observed that, due to a clerical error, approximately 143 students with attendance below 75% were mistakenly granted access to their hall tickets. This issue was identified by the DoE on 18th April 2026, and the hall tickets were subsequently revoked, as the students did not meet the required eligibility criteria. The inconvenience caused is regretted.
